Our Nursery is easy to find, it is just beside Junction 1 of the M40. From Junction 1, follow signs to Denham & Gerrards Cross, passing under an iron footbridge, and taking the first left, which is Southlands Road. TENDERCARE is on the corner of the A40 and Southlands Road, and is well sign posted. (Look out for the large purple sign on your left, saying "TENDERCARE next left" and the large trees in purple pots on the grass verge.
