## TERMS & CONDITIONS OF SALE

### Order Cancellations

1. Once tagged, if an order is cancelled within 7 days by the buyer, we reserve the right to charge 10% of the order or value of goods being cancelled, to cover the time we need to de-tag the stock and cover costs expended to date.
2. After 7 days, orders can only be cancelled by agreement with us and will incur a minimum cancellation charge of 30% of the order value.
3. Where stock is being bought in for a customer based on a supplied photograph of the plant, the cancellation charge will be 100% of the order value. If the plant is not as shown in the photograph, a full refund will be given.

### Deliveries and Collection

4. Charges are based on the vehicle size required and your postcode. Delivery charges include for delivery and offloading of plants up to 130L size pots to a flat surfaced area in the front of your property. For larger sized stock (over 130L), a fork lift offload will be required to off-load. This is charged separately or included in our planting service.
5. Your order will be scheduled to be delivered within 10 days for orders in the South East and within 20 days for further afield.

### Delivery Off-Loading

1. All deliveries are accompanied by a delivery note. The purchaser needs to have a person available to check the delivery with our driver, sign and accept the delivery.
2. Deliveries are made on the public highway. Where there is a need to come off the public highway in order to get closer to the desired point of delivery, this must be discussed at the time of placing the order. It is the Driver's decision whether it is safe for that vehicle.
3. We check stock quality both at tagging and picking stage but should you be unhappy with stock sent, please leave it on the lorry. If the stock does get unloaded and you are unhappy with it, defects must be reported within 3 days of delivery **and prior to planting**.
4. All plants up to a pot size of 130L will be offloaded by our driver using a tail lift, and can be wheeled on a flat surface on your property that's nearest to the road.
5. For pots sizes over 130L, specialist handling is required and a charge is made if we are to provide this service. Your needs will be discussed at the time of order.
6. We also offer a full supply and plant service with a Warranty.

### Collections from the Nursery

1. Our collection service works best if you can give us at least 24 hours notice so we can get your plants ready. Nearby parking bays behind the office, make it easy to load up. For larger stock over 50L, handling equipment is needed for picking and loading) a minimum of 24 hours notice is required.
2. When collecting please ensure that your vehicle has a cover to protect plants to comply with the plant handling code of practice for plants in transit.

### General Terms

This list cancels all previous lists.

Prices are exclusive of V.A.T. Our V.A.T. registration number is 442 5638 48

All items are offered subject to availability on receipt of the order.

All plants are believed to be true to name, but in the event of an error on our part, our liability shall not exceed the invoice price of the variety in question.

We hereby retain title to any goods sold until payment is received in full.

As we have no control over the plants supplied by us once they have left our hands, we give no warranty, express or implied, after acceptance of delivery or collection.

If you have a complaint regarding establishment of your plants please contact us for advice.

## \*These hints will help you to interpret our stock list!

**Quantity:** the quantity currently available at the nursery.

**Pot Size:** volume of the pot in litres. Sizes over 285 litres usually require professional assistance to manoeuvre. A 285L pot measures 95cm across and can generally be taken through a garden gate - hence it belongs to our Garden Gate range. Larger pot sizes are part of our Maturity Matters range and generally need fork lift handling both off the lorry, and when on site, due to weight.

**Height:** *current* (not ultimate!) planted height of the specimen in metres (1 m. = approx. 3 ft.)

**Spread:** *current* (not ultimate!) spread of the specimen in metres (1 m. = approx. 3 ft.).

**Girth:** diameter of the stem 1 metre from the ground in centimetres (2.54 cm = 1 inch).

### **Form:**

*Bushy Tree* - single stem coming from the ground, branching near base with no dominant main stem;

*Cane* - plant trained on a bamboo cane of the specified height. Best for quick height;

*Frame* - plant trained on to a fan-shaped frame for maximum spread.

*Leader* - upright habit with a dominant centre stem

*Feathered* - strong central stem with side branches breaking from base upwards;

*Hedge Element* - section of "instant" hedging grown in a round pot;

*MS 3p/pot* - 3 separate trees grown together in the pot to provide a copse effect;

*Multi-stem* - several stems coming from the ground;

*Standard* - single stem, branching starts above 1.5 metres;

*1/2 Standard* - single stem, branching starts between 1-1.5 metres;

*1/4 Standard* - single stem, branching starts between 1/2 -1 metre;

*Pleach* - single stem with side branches trained into the specified number of horizontal tiers;

*Prostrate* - creeping or low-lying habit;

*Tripod* - plant trained on to 3 canes to form a pyramid. Gives increased spread for the height;

*Trough* - a section of "instant" hedging of the specified trough length.

**Abelia Pinky Bells (Deciduous)**

Abelia

Pendulous, Lavender-Pink flowers bloom from mid-summer to Autumn. New growth on the foliage and stems takes on Red hues in late Spring and Autumn. Grows well in Full Sun to Part Shade in moist, well-drained Soil. Height to 1m Spread to 1.5m (Deciduous)

<b>Form</b>	<b>Flower Colour</b>	<b>Pot Size</b>	<b>Height</b>	<b>Spread</b>	<b>Girth</b>	<b>Qty</b>	<b>Price Inc. VA1</b>
