

TENDERCARE

Mature & Formal Hardy Plants

Trees for Small Spaces

A range of trees with shorter stems, with heads produced in a way suitable to be kept clipped, making them ideal for smaller spaces such as courtyards, smaller scaled gardens or as feature trees in a border.

Easy to handle, and in relatively smaller containers, this range is also an ideal choice when selecting trees for ornamental pots. There is a wide selection so enjoy choosing from the list.

We have a wide range of ornamental pots suitable for trees on display in our Show Area at the nursery.

All prices include V.A.T.
